We offer both A level and BTEC courses and you can apply for either or a combination of both. Please select 3 courses, either 3 A Levels, 3 BTECs or a combination of both.

Please number your course choices 1 – 3 in order of preference.

If you want to study 4 A Levels: This is only encouraged for students with a strong academic record (and even then is rarely necessary for entry onto even the most competitive courses). So please select your chosen 4 and a 6th form tutor will contact you to discuss your choices.

### A Level Courses

#### Tips for choosing the right course

1. Ensure you will meet the entry requirements
2. Choose a course you enjoy, not because your friends have chosen it
3. Choose a course in which you will be successful
4. Look at [www.ucas.co.uk](http://www.ucas.co.uk) and search for any special requirements for university courses, particularly languages, any medical/health courses, engineering and teaching
5. Find out about the course assessment methods. Do they fit your skills?
6. Remember A levels are now 2 year courses
7. Speak to subject staff or the Sixth Form Team about your choices
8. Be aware that other than the courses listed in point 4, all you need is three good grades to secure a university place
9. All courses require a minimum of five hours study outside of lessons per week. There are no easy A levels
